1 - The Special Procedure Licences (Wales) Regulations 202X	
1a	Do you think these draft Regulations adequately set out how individuals are to be licensed?
	Answer: Yes, in so far as the special procedures as defined are concerned. It is our view that the definition of special procedures should be sufficiently broad to allow for further procedures to be included should the Welsh Government feel that to be necessary.
1b	Is there anything unclear, missing that should be included, or included that should not be?
	Answer: No

	No
6 - Statutory Guidance

	Answer: No

Statutory Questions	
7	We would like to know your views on the effects that the mandatory licensing scheme for Special Procedures in Wales would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. What effects do you think there would be? How could positive effects be increased, or negative effects be mitigated?
	Answer: Subject to all materials being available through the medium of English and Welsh we consider there will be no impact.
8	Please also explain how you believe the proposed mandatory licensing scheme for Special Procedures in Wales could be formulated or changed so as to have <ul style="list-style-type: none"> • positive effects or increased positive effects on opportunities for people to use the Welsh language and on treating the Welsh language no less favourably than the English language, and • no adverse effects on opportunities for people to use the Welsh language and on treating the Welsh language no less favourably than the English language.
